

Two frogs met and they have eaten themselves on the ankle of each other.

June 24, 2009
ReMap 2 | Athens

Spreading close to Konstantinos & Marianna's office was off-site biennale, ReMap 2. The area is full of trashy buildings temporarily turning into galleries. Very trashy, but lots of happenings, happenings you care.

Community Approved, a pop-up store from NY. Athens is so chilled the store opens at 5pm.

My favourite posters.
